

MANJUSHREE BAYAS

A highly motivated engineering student with hands-on experience in simulation tools, programming, data analysis, and instrumentation, seeking opportunities to apply technical knowledge and innovative skills.

BTech Undergraduate (Instrumentation and Control)

📍 Nashik, Maharashtra.

DOB: 28/08/2003

EDUCATION

- **MKSSS's Cummins College of Engineering for Women, Pune**
2023 - 2027 CGPA - 7.44 (Current)
- **Higher Secondary Education**
Bhujbal Academy, Nashik
HSC Board - 88%
- **Secondary Education**
Holy Flower School, Nashik
SSC Board - 74.4%

TECHNICAL SKILLS

- **Simulation & Tools:** Cisco Packet Tracer, AutoCAD, Multisim, Proteus, MATLAB, SCADA(Basic), PLC, Studio5000(Basic)
- **Programming:** C, Python, Data Structure & Algorithm (DSA) Basic
- **Data Analysis & Visualization:** MS Excel, Power BI, Minitab
- **Microcontroller:** ATmega8535, AVR, Arduino
- **Web Frameworks:** Fast API, Prompt Engineering

SOFT SKILLS

- Communication & Presentation Skills
- Teamwork
- Time Management
- Work Ethics
- Leadership Qualities

ACADEMIC PROJECTS

- **Water Level Measuring System**
Developed a sensor-based system to detect water levels and trigger buzzer alerts to prevent overflow.
- **Rain Gauge Sensor**
Developed a sensor-based system to measure rainfall levels accurately for weather monitoring applications
- **Projects on Multisim, Proteus, MATLAB & Power BI**
Developed circuit simulations, data analysis, and visualization projects showcasing design and analytical skills
- **Power Supply Generator for Embedded System**
Developed a reliable power supply unit to provide stable voltage for embedded system applications

ACCOMPLISHMENTS

- **Certifications:**
Certified in Excel (Great learning), MATLAB (Onramp), and Prompt Engineering (Great learning)
- **Innovation & Employability Skills Training**
Cummins College of Engineering for Women & Neulex Talent Solutions Pvt. Ltd. | Aug 2024 – Mar 2025
- **Handball Sport – University Level Participation**
Represented the university handball team, showcasing teamwork and competitive sportsmanship
